1. *Nurse educator incentive payment program.*

a. The commission shall establish a nurse educator incentive payment program. Funding for the program may be provided through the health care workforce shortage fund or the health care professional and nurse workforce shortage initiative account created in [section 135.175](#). For the purposes of [this subsection](#), “nurse educator” means a registered nurse who holds a master’s degree or doctorate degree and is employed as a faculty member who teaches nursing in a nursing education program as provided in 655 IAC 2.6 at a community college, an accredited private institution, or an institution of higher education governed by the state board of regents.

The program shall provide for incentive payments of up to twenty thousand dollars for a nurse educator who remains teaching in a qualifying teaching position for a period of not less than four consecutive academic years.

c. The nurse educator and the commission shall enter into an agreement specifying the obligations of the nurse educator and the commission. If the nurse educator leaves the qualifying teaching position prior to teaching for four consecutive academic years, the nurse educator shall be liable to repay the incentive payment amount to the state, plus interest as specified by rule. However, if the nurse educator leaves the qualifying teaching position involuntarily, the nurse educator shall be liable to repay only a pro rata amount of the incentive payment based on incompleting years of service.

The commission, in consultation with the department of public health, shall adopt rules pursuant to [chapter 17A](#) relating to the establishment and administration of the nurse educator incentive payment program. The rules shall include provisions specifying what constitutes a qualifying teaching position.

2. *Nursing faculty fellowship program.*

a. The commission shall establish a nursing faculty fellowship program to provide funds to nursing schools in the state, including but not limited to nursing schools located at community colleges, for fellowships for individuals employed in qualifying positions on the nursing faculty. The program shall be designed to assist nursing schools in filling vacancies in qualifying positions throughout the state.

b. The commission, in consultation with the department of public health and in cooperation with nursing schools throughout the state, shall develop a distribution formula which shall provide that no more than thirty percent of the available moneys are awarded to a single nursing school. Additionally, the program shall limit funding for a qualifying position in a nursing school to no more than ten thousand dollars per year for up to three years.

c. The commission, in consultation with the department of public health, shall adopt rules pursuant to [chapter 17A](#) to administer the program. The rules shall include provisions specifying what constitutes a qualifying position at a nursing school.
